Dear Parents and Carers,

Friend's of Milton Ernest Lower School are pleased to announce that we have arranged for the professional filming of this year's Christmas Performance.

When joining the school, families already sign a declaration to agree (or not) to general use of photographs, but many parents have previously been upset in the past by not being able to film or photograph these special performances to enjoy them for years to come. We have therefore decided to offer a professionally made DVD to allow families to purchase this keepsake for personal use only. In buying this you will agree to not share on public or social media of any sort. We assure you there will not be individual children's names printed or included in the DVD. At school we must ensure we protect and safeguard all children and staff, including those who do not want to have their images stored online.

We are writing to ask if you would sign the permission slip to give parental consent for your child to be filmed for this purpose. The DVD's will only be available to pre-order for families in the school. If you would like to order a copy of the DVD please add this to the form and return along with the payment. Please complete the enclosed parental consent form and pre-order form below to the school by Friday 9th December 2016

This amount covers the cost of the filming and production of the DVD and all profits will go towards the Friends of Milton Ernest Lower school who this year are raising money to help towards resources for the new classroom being built for years 5 and 6.

If you have any questions regarding the performance filming or DVD production please do ask Emma (Oscar and Archie's mum), or Anna (Eva and Jack's mum).

Thank you very much for your support.
